OUR STORY

Shine On was founded in 2020. Following the untimely passing of Carrie (Shine) Kerbrat. A true community and purpose driven leader, mother and softball player.

Carrie played on numerous fast pitch teams throughout Michigan in her youth. Culminating in fielding up for the Ferris State University Bulldogs.

But her sports journey did not end there. Carrie was a staple at the Little League Park throughout her life. Coaching her children's teams and cheering on anyone that took the field.

Through our organization, her legacy of generosity, community commitment and determination will Shine On Forever.

PURPOSE DRIVEN

The Shine On, Carrie Kerbrat, Memorial Softball Tournament was formed in order to provide free youth sports opportunities in the Blue Water Area.

This past year, Shine On provided free to play Sports programs to over 250 children, provided hundreds of Christmas gifts to local children in need, supported numerous high school sports teams, renovated 2 softball fields and hosted what has quickly become the largest youth softball tournament in the area.

This year we will welcome 66 teams, over 700 athletes and thousands of fans and spectators to our area,

This is the only event Shine On hosts each year and the support of our community is vital to continue to grow free youth sports in our area. We would be honored if you consider joining our team.
